**ITALIAN REAL ESTATE: STRIVING FOR EXCELLENCE**

Wednesday 16 March 10.00 - 11.30

Cannes, Palais des Festivals - Ruby Room, Palais 5

The Italian government is responding to Milan's leap forward, where urban regeneration and renewal schemes have raised the bar in terms of quality and created a hub for new investments.

The public authorities may now join forces with key players in the real estate industry, where the State-owned bank, Cassa Depositi e Prestiti, has gained a pivotal role.
